YOUR HELP NEEDED TO PASS CARA IN KS SENATE!

Urge your Ks Senator to pass CARA: 1-800-432-3924

CARA (House Sub SB 389) can come up for a vote in the Senate at any time after 3-24-08! Identify & leave a message for your senator at number above!

1. GESTATIONAL INFORMATION

will improve under CARA when women:

- ▶ can choose to see the ultrasound and hear the fetal heart tone monitoring
- ▶ will be informed of free perinatal hospice with extraordinary care medical services
- ▶ receive written determination justifying exception to the abortion ban and the name of the referring physician, 30 min. prior to viable baby abortion

2: TEEN PROTECTION provisions that passed the House in 2006 are included in this bill. To **STOP PREDATORS** from bringing pregnant minors (under age 18) into Kansas abortion clinics to destroy evidence of statutory rape, CARA will:

- ▶ require judges in parental bypass hearings become mandatory child abuse reporters
- ▶ add information to KDHE state annual statistical report of judicial bypass actions
- ▶ strengthen civil remedies for violating parental rights and for injuring minors

CARA will require abortion CLINICS to:

- ▶ check IDs of minors and companions
- ▶ insure reporting of child sexual abuse and incest to authorities
- ▶ notify the custodial parent of a minor's intended abortion

Comprehensive Abortion Reform Act House Sub SB 389

3: COERCION and violence against pregnant women will be reduced by CARA when:

- ▶ clinics post a sign onsite warning coerced abortions are illegal and informing women how to contact law enforcement
- ▶ SRS is required to tabulate child rapes reported by abortion clinics

4: LATE-TERM ABORTION CRISIS

in Kansas is addressed by CARA, which will:

- ▶ clarify that A.G. and D.A.s can obtain KDHE reports and prosecute illegal abortions
- ▶ require the Healing Arts Board to revoke medical license for breaking late-term ban
- ▶ grant standing to citizens to bring injunction for deficient KDHE reports
- ▶ grant standing to the woman and family members, as well as law enforcement, to file injunctions against abortionists violating the late-term abortion ban

Important Additional Information:

CARA passed by a "veto-proof" margin in House and if the same happens in the Senate, some in each body originally voting yes will get heavy pressure to "cave-in" to the Governor, rather than override her predicted veto. Thus, please communicate your support of CARA to your state representative & senator NOW & through May!
